

## **QUALITY POLICY STATEMENT**

**West Michigan Plastics, Inc. continually strives to exceed our customers expectations for molded, engineered plastic products. Our focus is on continual improvement in quality and value to our customers and employees.**

**We will work to improve our services, processes, and systems in order to provide the highest quality product at a competitive cost in a timely manner.**

**West Michigan Plastics reviews the suitability of this policy and promotes this throughout the Organization. We assure compliance to our Customers Specific Requirements and maintain the effectiveness of our Quality Management System.**

**We continuously Monitor and measure our effectiveness through Customer Satisfaction.**
